P.S.

Evidently my patent agent, John B. Dickman III, has let the case go and I need to deal directly with your office to cause this application to issue. Again, the case I'm referring to is Patent Application Number: 09/814,109 filed on 6/29/2001 with following title: "Flexible reflective skylight tubes". I'm still trying to get a copy of all my files from Dickman, but so far I have gotten no response. Thanks your timely assistance in this matter.
